Hindustan Scouts and Guides Association

Subject: Tree Plantation Drive under the "Ek Ped Maa Ke Naam 3.0" Campaign

Dear Sir/Madam

Greetings from the **Hindustan Scouts and Guides Association!**

The Hindustan Scouts and Guides Association is proud to join the nationwide **"Ek Ped Maa Ke Naam 3.0"** campaign, a unique initiative that encourages every citizen to plant and nurture a tree in the name of their mother, symbolising gratitude while contributing to a greener and more sustainable future.

All State Secretaries are requested to organise a **State-wide Tree Plantation Drive** through their respective District Associations by actively involving **Scouts, Guides, Rovers, Rangers, Unit Leaders, Schools, Educational Institutions, Parents, Alumni, Local Communities, Government Departments, and Civil Society Organisations.**

Programme Guidelines

- Organise plantation drives at schools, public parks, community spaces, villages, educational institutions, and other suitable locations.
- Prefer native and climate-resilient species in coordination with the Forest Department and local authorities.
- Conduct an **"Adopt a Tree" Pledge**, encouraging participants to protect and nurture their saplings.
- Organise awareness activities such as rallies, nature walks, eco-talks, and community campaigns to spread the message of environmental responsibility.

The success of this campaign lies not only in planting trees but in ensuring that every sapling grows into a healthy tree. Let every Scout and Guide become the guardian of the tree they plant.

Submission of Report

After completion of the programme, all District Associations are requested to submit a brief report to the National Headquarters containing the following:

- Number of saplings planted
- Number of participants
- Plantation locations
- Species planted
- High-resolution photographs and short video clips

Warm Regards
